Friends of Beautify Bonney Lake:

The seventeenth annual **Beautify Bonney Lake** event is going to look a little different than normal. With the COVID-19 restrictions there has been some restructuring to allow for physical distancing. This year's event will be a lengthier schedule from Tuesday, September 1<sup>st</sup> through Saturday, September 19<sup>th</sup>, 2020. On Saturday, September 19<sup>th</sup> from 9:00 am to noon each volunteer will be able to come pick up their BBL T-shirt as well as sponsors have the opportunity to hand out any flyers or information they would like to the volunteers as they drive through. This is an opportunity for hundreds of volunteers from community and civic groups, scout troops, school students, religious organizations, businesses and individuals to come together to clean and beautify our city in a distanced format. With over 600 volunteers participating each year since its inception in 2004, BBL has become the area's most influential and sustained community service event. We hope that you can join us this year.

We are asking our local merchants to assist in our beautification efforts by contributing time, materials for our volunteers, or financial donations to help BBL fund current and future projects. We're open to other suggestions as well! In exchange for your participation, you or your company's name will be printed on our event promotional materials and advertised on our website, [www.beautifybonneylake.org](http://www.beautifybonneylake.org), per the sponsorship level. **Beautify Bonney Lake** is a registered 501(c) (3) organization so your contribution is tax deductible. Tin #20-3527768.

Attached is a sponsorship form to list your contribution. Please return the form by August 25, 2020 to make the printing deadline for the T-Shirt.
