Friends of Beautify Bonney Lake:

The eighteenth annual **Beautify Bonney Lake** event is going back to normal! September 18th, 2021, starting at 8:30am, we are so excited to invite everyone back to our event and see some of our new opportunities. This year we will be branding the event “Renew Bonney Lake” after the crazy year and a half we have had together we want to engage our community in new ways and teach our community about tree planting and how to build sifters to help others that have dealt with home fires. Learn about how your child can participate in naming the park that is currently called “Midtown Park” as well as learn about what is happening at Allen York Park. This is an opportunity for hundreds of volunteers from community and civic groups, scout troops, school students, religious organizations, businesses, and individuals to come together to clean and beautify our city. With over 600 volunteers participating each year since its inception in 2004, BBL has become the area’s most influential and sustained community service event. We hope that you can join us this year at the Bonney Lake Park n Ride to kick off our event.

We are asking our local businesses, individuals, and families to assist in our beautification efforts by contributing time, materials for our volunteers, or financial donations to help BBL fund current and future projects. We’re open to other suggestions as well! In exchange for your participation, you or your company’s name will be printed on our event promotional materials and advertised on our website, www.beautifybonneylake.org, per the sponsorship level. **Beautify Bonney Lake** is a registered 501(c) (3) organization so your contribution is tax deductible. TIN #20- 3527768.

Attached is a sponsorship form to list your contribution. Please return the form by September 1st, 2021 to make the printing deadline for the T-Shirt. If you cannot commit to a donation or sponsorship before September 1st, we would still love your support and will ensure that you are mentioned and thanked in all the opportunities on the sponsorship and donation form.

Have a team of volunteers that would like to come out and help this year? We have a new feature on our website that will allow you to pre-register for the site that you would truly like to volunteer at and pick your shirt sizes. We look forward to seeing our community back together making Bonney Lake as beautiful as ever!

If you have questions, please contact Kerri Hubler by phone at 360-281-0694 (cell) or email kerrihubler@gmail.com .

Sincerely,

Beautify Bonney Lake Board of Directors
